

What to Do:

In Homes: Place this sticker on the outside of the lower portion of your front door.

In Apartments: Place this sticker at the base of your apartment door under the door knob

This sticker will let firefighters and EMS personnel know of your special needs to assist with evacuation in the event of an emergency!

This sticker should NOT be placed in the window. (As Tot Finders previously were) For your safety we do not want to alert predators of your disability. This sticker is specifically designed for emergency personnel!

This sticker was designed to alert emergency personnel of your special needs!
